

Grammaticalization and Diachronic Construction Grammar: Convergences and Challenges

générée par IA

30.09→02.10.26

organised by **EMMA — Études Montpelliéraines du Monde Anglophone et le LATTICE — Langues, Textes, Traitements informatiques, Cognition** with the support of **PRISMES, ALAES** and Université de Montpellier Paul-Valéry

Site Saint-Charles
Rue du Professeur Henri Serre

Wednesday 30th September

Auditorium

15h-15h30

**Adam James Ross Tallman,
Patience Epps**

Fluid morphemes: debonding
and constructional relations in
Western Amazonia

15h30-16h

Zahid Akter

Nominalization and
Constructional Change
in Pangkhua (South
Central Tibeto-Burman):
Grammaticalization and
the Reorganization of the
Constructicon

16h-16h30

Lotte Sommerer

Grammaticalization in
Tok Pisin: a constructional
investigation of prepositions
and determiners

16h30-17h

Alexandre François

Renewing grammar through
constructions: On some TAM
markers in Mwotlap, Vanuatu

Room 1 (Kouros)

15h-15h30

**Nina Dobrushina,
Yvonne Treis**

Curses in light of diachronic
construction grammar and
grammaticalization

15h30-16h

Thomas Wier

From Competing
Indexical Constructions to
Hierarchical Agreement:
the Grammaticalization of
Morphological Blocking in
Kartvelian

16h-16h30

Anna Inbar

From bodily actions to
pragmatic markers:
Grammaticalization paths in
gestures

16h30-17h

Yueh Hsin Kuo

Why conditionals defy
unidirectionality: A
constructional approach

Room 2 (Caryatides)

15h-15h30

**Beatrice-Andreea Pahontu
Serafino, Peter Petré**

Comparing the Evolution of the
Avertive Construction a fine
scale within Grammaticalization
Theory and Diachronic
Construction Grammar

15h30-16h

Riley VanMeter

Perceptions of
'Extravagance': Quantifying
Attitudes of Varying
Stages of Perfective
Grammaticalization

16h30-17h

Quentin Feltgen

Linguistic forms across
constructions in diachronic
processes: the case of measure-
based constructions in French

17h-17h30

Coffee Break

17h30-18h30

Plenary (Auditorium):

Sophie Prévost

Which better accounts for word order change: Grammaticalization
or Diachronic Construction Grammar?

18h30

Jardin d'hiver, Saint-Charles 2

Cocktail

Thursday 1st October

9h-10h

Plenary (Auditorium)

Graeme Trousdale

Networks in grammaticalization and Diachronic Construction Grammar

10h-10h30

Coffee Break

Auditorium

10h30-11h

Muriel Norde

Creativity in grammaticalisation and degrammaticalisation

11h-11h30

Daniela Schröder

From emergence to expansion: Constructionalization and the development of grammatical constructions

11h30-12h

Andrej Malchukov

A proposal for integration of grammaticalization and constructionalization frameworks

12h-12h30

Eric Melac

The predictive power of grammaticalization theory

Room 1 (Kouros)

10h30-11h

Nadine Bayer

Dative alternation and constructional blending in Egyptian Arabic

11h-11h30

Nurit Melnik

From Reverent Roots to Extravagant Snowclones: Contentful Constructionalization in Modern Hebrew

11h30-12h

Albert Álvarez González

The evolution of NP-use markers and omnipredicativity in Taracahitan languages: grammaticalizations and/or constructionalizations?

12h-12h30

Edmond Cane

Reconsidering the Emergence of Feminine Marking in Albanian: Grammaticalization, Constructional Change, and the Indo-European Background

Room 2 (Caryatides)

10h30-11h

Álvaro S. Octavio de Toledo y Huerta, Mar Garachana Camarero

The development of conative constructions from verbs of seeing in Ibero-Romance: Grammaticalisation or constructionalisation?

11h-11h30

Stefan Blaga

A Comparative Test of Grammaticalization and Diachronic Construction Grammar: From Anteriority to Discourse Marking in Romance

11h30-12h

Milagros Alfonso Vega, Chantal Melis

Exploring how Grammaticalization and Diachronic Construction Grammar might complement each other. A case study

12h-12h30

Josep Sarria, Andreu Sentí, Mar Garachana

Va i diu / va y dice. The [V1-and-V2] construction in Catalán and Spanish: a diachronic constructionalization case-study

12h30-14h

Lunch

Auditorium

14h-14h30

Spike Gildea

Diachronic Construction Grammar, constructional mergers, and a typologically rare alignment pattern

14h30-15h

Fredrik Valdeson

At the end point of the grammaticalization cline: The decline and fall of morphemes and syntactic constructions

15h-15h30

Kasper Boye

Why and how to reconcile the lexicon-syntax continuum with a lexical-grammatical distinction

Room 1 (Kouros)

14h-14h30

Li Xinyi

From Conjunction to Disjunction: A Semantic-Pragmatic Account of the Grammaticalization of Chinese *huò*

14h30-15h

Xinjia Peng, Baiming Shen

To be part of the big picture: Typological Implications from the genesis story of Chinese sortal classifiers

Room 2 (Caryatides)

14h-14h30

Alondra González Méndez

Uneven Paths of Subjunctive Grammaticalization: Clause-Type Differentiation in Spanish Diachrony

14h30-15h

Kirsten Kragh,

Lene Schøsler

The discourse marker *tu vois* (*vous voyez, voyons, voilà*): Grammaticalization and/or paradigmaticization ?

15h-15h30

Roxana Voicu

The inheritance of information structure in a partial network of constructions based on the negative existential sentence embedding a negative relative clause

15h30-16h

Coffee break

16h-17h

Plenary (Auditorium)

Martin Hilpert

A third route to syntactic complexity? Reflections on syntactic amalgamation

17h30

City Walk

20h00

Brasserie du Théâtre, 22 Bd Victor Hugo, 34000 Montpellier

Conference Dinner

Friday 2nd October

9h-10h

Plenary (Auditorium)

Martin Haspelmath

Grammaticalization and the puzzle of the longue durée

10h-10h30

Coffee Break

Auditorium

10h30-11h

Elena Smirnova

Grammaticalization Theory
and Diachronic Construction
Grammar integrated: The
Case of German bringen

11h-11h30

Mario Serrano-Losada

Constructional analogy and
the development of evidential
and mirative as-parentheticals
in English

Grammar vs
Grammaticalization Theory:
kinda the same or hellla
different?

12h-12h30

Debra Ziegeler

The diachrony of the
affirmative do-auxiliary
in English: a case of
grammaticalization in
construction clothing

Room 1 (Kouros)

10h30-11h

Pierre-Yves Modicom

Diachronic
Construction Grammar,
Grammaticalization and the
rise of Germanic expletives

11h-11h30

Konstantin Henke

English «V the **** out of
O» and German «wenn
dann» — two processes
of constructionalization
and implications for
grammaticalization theory

11h30-12h

**Ann-Sophie Vrielynck,
Evie Coussé**

Beyond grammaticalization:
a diachronic constructional
approach to Dutch be-verbs

12h-12h30

Torsten Leuschner,

Jóhanna Barðdal

Constructionalization
across clauses: The case of
V1-conditionals in Germanic

Room 2 (Caryatides)

10h30-11h

**Mathilde Dargnat,
Bernard Combettes**

Grammaticalisation et
concession en français :
le cas des constructions
corrélatives introduites par
« ADV + x + que + P »

11h-11h30

Leïla Ben Hamad

Grammaticalisation et
Grammaire de Constructions
Diachronique à l'épreuve des
marqueurs discursifs en tout

11h30-12h

Kim Thanh Nguyen Thi

Grammaticalisation, grammaire
de constructions diachronique
et traduction : une étude
contrastive des constructions
aspectuo-temporelles en
français et en vietnamien

12h-12h30

Nicholas Guymon

Adverbial predication and the
history of the future tense in
Archaic Latin

12h30-14h

Lunch

14h-15h

Jardin d'hiver

Poster Session

Auditorium

15h-15h30

Olga Pekelis

How the source of grammaticalization influences its outcome: evidence from the Russian adverbial subordinator RAZ 'if, since'

15h30-16h

Seongha Rhee

What BECOME becomes: The grammaticalization in Korean and beyond

Room 1 (Kouros)

15h-15h30

Lina Weigelt

Unproductive but Alive: Rethinking Node Loss in Morphological Inheritance Networks

15h30-16h

Thanasis Giannaris

'Text as network': Exploring the horizontal dimension of constructional change

Room 2 (Caryatides)

15h-15h30

Sascha Diwersy,

Quentin Feltgen

Never-ending changes in terminative phase verb constructions: the paradigm of *achever de*, *finir de* and *terminer de* in French

15h30-16h

Adeline Patard

The gradual grammaticalization of the French *aller* + INF future: constructionalization and reconfiguration of the construction

16h-16h30

Coffee break

16h30-17h30

Auditorium

Discussion

Posters

Friday 2nd October

Jardin d'hiver

14h-15h

Rania Khanoub

Competition and change in Modern English quantifier constructions

Marcia dos Santos Machado Vieira, Pamela Fagundes Travassos

Constructional change in complex predicates with the support verb 'GIVE' in Brazilian Portuguese

Aina Torres-Latorre

Grammaticalization? Constructionalization? The case of Romance future and conditional tenses

Andreu Sentí, Adrià Castellà, Carles Segura-Llopes
